Questions	Client 1	Client 2	
General tastes:			
1) What kind of music do you listen to in your spare time?			
2) In what era did you grow up?			
3) Do you personally enjoy dancing?			
4) What other interests and hobbies do you have outside of music?			
5) When you attend a concert or show, do you prefer a loud or quieter party?			
6) What kind of music do you dislike?			
7) Do you have a set vision of the kind of music for your event, or are you open to suggestions?			
8) Do you consider music to be an essential component of the party?			
Your Crowd:			
1) Do you expect your crowd to dance?			
2) Do you have similar personal tastes to your crowd?			
3) Would you prefer Clean or Dirty versions of songs? (DJ can also transition from clean to dirty later in the evening)			
4) What age groups will be present at your event?			
5) Should the DJ take requests from your crowd?			
6) How many guests are you expecting for your event?			
Event Specific Questions:			
1) Are you planning a small/intimate party, or a large scale rager?			
2) Do you consider quality audio to be an essential component of a good party?			
3) What are your feelings on dance lights?			
4) What is your budget that you've set aside for DJing/Audio production?			
5) Do you require the DJ to provide production, or will your venue be providing this?			
6) Do you require the DJ to also provide MC service?			
7) Would you prefer the DJ/MC to be outgoing, or would you prefer that the music does most of the talking?
